

Children's Swim Lessons

Sponsored by the Little Rhody Aquatic Club
at Providence College

August Session

The Learn-to-Swim program is back at the Taylor Pool. Students (Ages 6 & older) can receive appropriate swim instruction in a fun and motivating environment. The Little Rhody Aquatic Club has over 25 years of experience in teaching in Aquatics. Margaret Howe, a recent BC grad who swam for the Eagles and the Little Rhody Aquatic Club, has been teaching both group and private lessons for over 7 years. Working with swimmers of all ages and abilities, she is running the group and private lesson program with Little Rhody. Whether it's a 4 year old who needs to get comfortable with the basics, or a 13 year old in need of stroke refinement, (or even an adult!) Margaret has seen it all and has successfully helped each of her students improve their skills in the water.

Days/Dates/Time: Mondays, Tuesdays and Thursdays, August 3-19th Session from 9:15-10:00 AM. Cost – \$59.00, Payable to LRAC.

Registration Slip – Please Print August Session
